December To-Do List

- Don't forget to mail your business holiday cards (and personal ones, too) and deliver holiday gifts.
- Make sure clients (and any staff) have a copy of your inclement weather plan and that clients' emergency contact information is up-to-date in case weather prevents you from reaching pets.
- Set aside a little time to celebrate the holidays with your family. Self-care is important—for you and staff.
- It's a great time to bring your A+ game to wow clients. You may be short on time, but little gestures like a holiday-themed photo that you stage of a client's pet or a warm holiday message or card left behind at the last visit can show you care.
- Block off an afternoon in the next month to review your 2025 numbers and plan business goals for 2026.
